SUPERSEDES: None

41501A SMU and Pulse Generator Unit Expander

Serial Numbers: 0000J00000 / 9999J99999

Protector Cover for the 41501A Expander's Interface Card**Situation:**

The Expander's interface card is a bare printed circuit board and may be damaged by mechanical stress or electrostatic discharge. So we are setting up a protector cover for the 41501A Expander's interface card, which connects to the 4155A/4156A mainframe.

Solution/Action:

The part number of the protector is 41501-89001.

DATE: October 1996
