0000A0000 / 2904A00209

**Change a shield case when replacing A20 board****Duplicate Service Notes:** None**To Be Performed By:** Agilent-Qualified Personnel**Parts Required:**

| Part No.    | Qty. | Description |
|-------------|------|-------------|
| 04195-00811 | 1    | Shield Case |

**Situation:**

The part location of the A20 board was changed. The old shield case does not fit the new A20 board.

**Solution/Action:**

1. When the A20 board is defective and when being replaced with the new one, check the revision of the A20 board.
