PRINTED IN U.S.A.

May 28, 2004

Situation:

New battery has different hardware that only 3.1 or later version software can recognize.

Solution/Action:

To use the new battery pack, software must be updated to 3.1 or later. To obtain the 3.1 or later release at the service center access the Web page at: <http://pamirs.cos.agilent.com/cast/default.htm> and perform a hand type order to your self. The distribution number for the 3.1 customer software release is GSDC07991A and the kit part number is 5188-5062.
