Situation:

If customer report about BNC connection cannot lock at Handheld Oscilloscope BNC connect. Please refer to picture below:

**Solution/Action:**

1. Verify customer unit with Agilent BNC cable or Agilent BNC connector (1250-0256)
2. If verification failed, please provide unit exchange with customer.
3. If verification passed, please inform customer the BNC connector is meeting spec and no action required from SSU.
